Empowering Oil

PRIOR 15W40

PRIOR 15W40 is a multigrade mineral oil for all light vehicles with petrol and diesel engines. This oil is characterised by a very good oxidation resistance, avoids the formation of deposits in the fuel system and contains a very low level of sulphated ash. All these aspects allow long oil change intervals, depending on the car manufacturers' recommendations.

PERFORMANCE LEVEL

- API: SF/CC
- CCMC: G2/D1

APPLICATIONS

PRIOR 15W40 is suitable for petrol and diesel engines in light duty conditions all year round. Not applicable for turbocharged diesel engines, for which a minimum API CD level is required.
